ENVIR[®]SLEEP[®]

ULTRA SUPER TOPPER

Fully Reversible Mattress Pad

PRE-WASHED &
READY TO USE

Quilted 28oz sq yard, Shell: 50% Cotton / 50% Polyester — Fill: 100% Recycled Polyester

For the ultimate luxury, our Ultra Super Topper offers a premium sleeping experience with built-in Microban[®] antimicrobial protection in the shell. Encased in T200 blended fabric on the top and bottom, and detailed with an 8" diamond quilt design, this topper is essential for a better night's sleep. It's also fully reversible, with piping around the edge on the reverse side. Finished with a fitted skirt and an elastic banded bottom.
