

PROTECT360° Mattress Protector

Protect360° Mattress Protectors offer a cleaner, safer sleep experience. To ensure your mattress is safeguarded from bacteria and stains, Protect360° mattress protector provides dual levels of protection - including Microban® Antimicrobial technology, (on all sides) which keeps the protector fresher, longer by inhibiting growth of odor causing bacteria and waterproof protection on top. 100% polyester with elastic drop allows for easy on and off and increased operational efficiency.
