Instill Guest Confidence with PROTECT360°

PROTECT360° Shower Curtains offer a cleaner experience. Bacteria and molds thrive in wet, humid environments, leaving shower curtains highly susceptible to odors, staining and damaging bacteria growth. PROTECT360° Shower Curtains inhibit the growth of bacteria, molds and mildew, keeping the curtain cleaner and fresher between washes.

Images shown are simulations representative of typical bioburden counts on treated and untreated textiles.

Product details

12 per Case Pack

Item#	Dimensions	Color	Liner	Window
10081	71 x 77	White Silver Ring	Yes	Yes
